An apartment under construction is for sale in Poreč, just 500m from the beach and the city center. The 53m2 apartment is located on the first floor of a smaller residential building with 5 apartments.

It consists of an entrance hall, kitchen, dining room, living room, one bedroom and bathroom.

The carpentry is aluminum in large formats from floor to ceiling and all openings are a source of a large amount of light, with electro-aluminum blinds and mosquito nets.

The entrance door of the apartment, as well as all room doors, were made to order at a height of 2.5m and with sound insulation of 90dB.

There is underfloor heating in all rooms, as well as air conditioning.

The apartment is equipped with a video surveillance system, an alarm system and a fire and flood alarm system.

The apartment has two storage rooms: a shared building storage room for bicycles and a private storage room.

Parking spaces are covered, marked according to the type of apartment with its own source of electricity. The owner has the option of setting up a charging station for electric cars.

Superbly equipped apartments!!!!
