These intriguing terraced houses were recently built near Poreč and the landscaped beaches. With modern design and well-used interior space, the emphasis is on creating a pleasant and welcoming living environment. An abundance of natural light floods the space through large glass windows, improving the overall ambience of the home.

Spread over two floors, the house offers 65 square meters of living space complemented by 83 square meters of outdoor space, securely fenced for complete privacy.

The ground floor features an open design, combining the kitchen, dining room and living room leading to a spacious terrace. The upper floor contains two comfortable bedrooms, with a larger
