The offer includes an apartment (S5) located on the first floor of a residential building consisting of a total of 8 residential units. The apartment itself has a net usable area of

78m2, consisting of an entrance hall, toilet, bathroom, two bedrooms, kitchen and living room.

One of the special features of the apartment is a large glass wall that allows plenty of light in the living area, and opens onto a covered terrace with a view of the sea.

The apartment is equipped with air conditioning for heating and cooling. The bathroom boasts underfloor heating, and there is also a chimney and you can install a wood-burning stove if you wish.

Furthermore, the purchase of the apartment also includes a parking space. The location of the apartment is favorable, with all
