A large building plot in Petrovija is for sale, measuring 6,238m2. The land is divided into seven building plots, one of which is a road.

The plot sizes are as follows: 925m2, 935m2, 939m2, 992m2, 817m2, 824m2, and a road of 806m2. The land has great potential, offering the possibility of further subdivision into smaller plots or the construction of residential buildings, terraced houses with swimming pools or exclusive villas.

There is also the possibility of partial compensation for this land, in the form of a house located in the area between Umag and Novigrad, plus an additional amount of money.

Infrastructure is located in the immediate vicinity of the land. Due to its location and great potential, this land deserves special attention.
